In case the customer takes out the Supplementary Cover "Relax", the amount of the previous Excess is reduced to "zero" Euros (0€) for the case of damage to the vehicle bodywork. In case of prior reservation of the vehicle through Goldcar digital channels, these General Rental Conditions, together with the Particular Conditions, will be sent by Goldcar to the Customer's email, at the time of reservation. If the Customer rents the vehicle at a Goldcar office, without prior reservation, the documents indicated will be presented at that time. The General Rental Conditions, the Particular Conditions and the Special Terms and Conditions form and are an integral part of the Rental Agreement.

1. OBJECT OF THE AGREEMENT

With the signing of the Agreement, the Customer takes possession of the rented vehicle, which he accepts in the condition in which it is, with all its documents, tires, tools and accessories, committing to take care of them and drive the vehicle in accordance with the Highway Code and in accordance with the provisions established in these General Rental Conditions.

2. RENTAL PERIOD

The rental begins and ends on the date, time and place designated in the Special Terms and Conditions for pickup and return of the vehicle, respectively.

The rental dates are computed in 24-hour periods, counted from the exact time envisaged in the Special Terms and Conditions. The vehicle must be returned in the date and time mentioned in the Special Terms and Conditions, with a courtesy period for returning the vehicle of 59 minutes, after which additional fees will apply. If, for reasons not attributable to the Customer, Goldcar delays the pick-up of the vehicle for a period longer than 59 minutes after the period set out in the Special Terms and Conditions, the Customer will be reimbursed in the amount corresponding to the delay.

The Agreement may not extend for a longer period than 28 days (except on products that specifically mention it, such as Smart+15). The pick-up of the vehicle is preceded by its joint inspection by the Customer and Goldcar, resulting in the preparation of an inspection report, which forms an integral part of this Agreement, describing the state of conservation of the vehicle and indicating the possible defects and/or apparent damages, which must be validated by both parties through their respective signatures.

3. EXTENSIONS OF THE AGREEMENT The Customer must return the vehicle on the date and time stipulated in the Special Terms and Conditions and in accordance with the previous paragraph. If the Customer wishes to extend the rental period, he must previously contact Goldcar to sign a new agreement, which will be subject to our approval.

the Special Terms and Conditions. The extension of the Agreement may imply the provision of an additional deposit by the Customer. In the event that the Agreement cannot be extended because no vehicles are available or for any other reason, the Customer must return the vehicle on the date, time and Goldcar office stipulated in the Special Terms and Conditions.

4. VEHICLE RETURN CONDITIONS

The Customer must return the vehicle in the day, place and time stipulated in the Special Terms and Conditions, together with all its documents, accessories, and in the conditions of use and cleanliness in which it was delivered to the Customer.

In the event that the vehicle is not returned on the date and place indicated in the rental agreement (after the 59 courtesy minutes have passed), said Rental Agreement will be considered terminated and Goldcar will contact you to proceed with the return of the vehicle within a maximum and non-extendable period of 24 hours from said communication. Once the 24-hour period has passed without having received a communication from you or without the vehicle being returned, Goldcar may consider that the vehicle has been misappropriated, informing to this effect, and reserving the right to initiate appropriate legal actions and communicating it to the competent authorities, in addition to applying the charges defined in these Terms and Conditions. Likewise, the protections and other additional contractual services contracted in your rental will have no effect from the moment Goldcar has notified you of the breach of the Contract.

At this point, depending on whether you return the vehicle on a specific date or if you do not do so and it is Goldcar who must recover the vehicle, the following will apply:

(i) in the event that Goldcar contacts you and the client communicates a specific vehicle return date and meets it - returning the vehicle on said date indicated by the client -, in this case, Goldcar will charge the corresponding rental amount to the additional days for the delay in the return, in addition to an amount as a penalty for the economic damages caused, which amounts to €40 per day of delay. Likewise, the client will be responsible for the costs of transfer/crane, tolls and storage/custody, -when applicable- to the place agreed in the contract for its return as provided in Annex I (which can be consulted at www.goldcar.es/tc/).

(ii) in the event that you do not respond to the communications that Goldcar sends you for the return of the vehicle, Goldcar will charge you a Complaint Processing fee of €36.3 for each of the actions that Goldcar carries out before the competent authority for filing and/or withdrawing the complaint of misappropriation. If the customer finally returns the vehicle, they will be charged €36.3 for filing the complaint and another €36.3 for withdrawing it as Compliant Processing fee.

If, finally, the client does not return the vehicle and/or does not respond to Goldcar's communication, and it is Goldcar that directly recovers the vehicle, the client will be charged, in addition to said Complaint Processing costs, a Recovery Vehicle Charge of €363.

In any case, Goldcar will have the right to claim all damages and losses caused, including, the value of the Vehicle, as well as all fines, tolls, penalties or sanctions that fall on the rented Vehicle as a result of the requirements made by the public

administrations, for example, and with no litigation on this, those asking for the identity of the driver or to clarify other circumstances in relation to possible infractions or crimes.

Goldcar reserves the right to file appropriate legal actions in the event of any disappearance or non-return of the vehicle before the competent authorities, with all responsibility for the legal consequences that may arise falling on the client, in order to claim the Immediate return of the vehicle, being also Goldcar entitled to charge additional fees for the process of recovering the vehicle set out in the current Terms and Conditions. In this case, protections and other additional contractual services will have no effect.

The unilateral extension by the Customer of the term of the Agreement is considered as an unauthorized use of the vehicle, for the purposes of the Customer's responsibility for any damage that the vehicle presents.

In case of early return of the vehicle, Goldcar will not be obliged to return the remaining rental price amount to the Customer.

Goldcar is not responsible to the Customer or any passenger for the loss of or damage to objects left in the vehicle, either during the rental period or afterwards.

Customers must not change the vehicle's technical specifications, keys, equipment, tools and/or accessories, or make changes to its external or interior appearance. In case of breach of this clause, the Customer must pay for the expense of returning the vehicle to its pre-rental condition, without detriment to damages and losses caused to Goldcar due to the repair of the vehicle, the time it is immobilized and, also, any other damages caused to Goldcar.

When returning the vehicle, Goldcar and the Customer jointly carry out an inspection to check the existence of any new defects and/or apparent damages which, if present, are marked in the corresponding field of the inspection report contained in the Special Terms and Conditions, which is validated by both parties through their respective signatures, except in cases where the vehicle is returned after hours.

The refusal by the Customer to sign in accordance with the previous paragraph does not exempt him from responsibility for damages caused during the rental period.

5. DAMAGE MANAGEMENT POLICY

Goldcar has implemented a transparent damage management policy to explain how Goldcar handles the situations where damages were caused to the vehicle during the rental period, namely with regard to invoicing and charging the Customer .

Goldcar and the Customer must, during pick-up of the vehicle, jointly carry out an inspection in order to determine the condition of the vehicle at that time, and any existing damage must be recorded.

The Customer accepts the vehicle in the condition that it is in after this inspection.

5.1 Damages identified in the presence of the Customer during the return of the vehicle

After the return of the vehicle, it will be inspected by both Goldcar and the Customer, in order to assess the existence of damages that did not appear in the vehicle during pick-up.

If damage is identified after the return of the vehicle at the time of the inspection, in the presence of the Customer and in the presence of our staff, such damage will be mentioned in the Declaration of Return of the Vehicle, which must be signed by the Customer.

Goldcar will subsequently issue an invoice to the Customer that will include the costs of the repair and immobilization of the vehicle, together with an administrative charge for the management of such damages – Accident Processing Charge (DAF). Repair costs will vary depending on the type and level of damage as well as the group of the rented vehicle. As set out in the Annexes of our Terms and Conditions, there are three different levels of damages, each described in the document Standard Vehicle Return. These damages have associated costs depending on the level of damage with which they correspond and the group of the rented vehicle.

These costs are defined in the document Damages and accessories price list by car group. If the customer refutes the Damages and their invoicing by refusing to sign the Declaration of Return of the Vehicle, Goldcar will apply the procedure described below:

5.2. Damages identified in the case of return After hours or without the Customer's presence If the Customer is not present during the inspection of the vehicle by Goldcar's staff, Goldcar will issue a report – Declaration of Return of the Vehicle -, indicating the existence or non-existence of damages to the vehicle, which will be sent to the Customer.

If the vehicle is not returned in the same conditions in which it was picked up, the declaration will include a description of all the damages identified, images of the damages, and an estimation of the repair costs (that will vary depending on the level of

damage identified), together with the administrative costs for the management of the damages [Accident Processing Charge (DAF)] and the corresponding fee of immobilization of the vehicle. In these cases, the Customer may have to bear the damage costs up to the amount of the deductible, depending on the type of coverage purchased, under the following terms:

a) Goldcar will provide a reasonable estimate of the cost of the repair and will seek to obtain the Customer's express consent to process the transaction.

b) If the Customer believes he is not responsible or does not agree with the amounts presented, he can dispute these facts with Goldcar, attaching for this purpose any evidence he deems relevant and sending it to the following address within 14 days: csdamages@goldcar.com.

c) The amount provided as a deposit will be retained on the payment card used for payment until a decision is made regarding the Customer's responsibility by the competent authorities. In the absence of a reply by the Customer or in the event that he does not take responsibility for the damages within the aforementioned 14-day period, Goldcar reserves the right to invoice the Customer for the identified repair costs.

6. PAYMENTS AND METHODS OF PAYMENT

6.1 Payments:

For the rental of the vehicle, the Customer undertakes to pay to Goldcar the total price resulting from the applicable daily rate and the additional services contracted, as detailed in the Special Terms and Conditions, as well as the amounts resulting from fees and other amounts for which the obligation to pay and correspondent calculation occur at the end of the Agreement, including, if applicable:

a) The amount of €150.00 (one hundred fifty euros) as a guarantee deposit, to ensure compliance with obligations arising from this Agreement;

b) The value of €50.00 (fifty euros), for the vehicle refueling service and the value of the missing fuel, calculated in accordance with the maximum price per liter in force on the date of return;

c) The amount related to the purchasing of additional insurance coverages under clause 8;

d) The amount due to Goldcar for providing the electronic toll payment method indicated in the Agreement, which cannot exceed €2.15 (two euros fifteen cents) per rental day, up to a maximum of €21.53 (twenty-one euros fifty-three cents) per rental, plus the amount corresponding to the tolls due;

e) The value of €50.00 (fifty euros) as administrative expenses corresponding to Goldcar's duty to identify the Customer, in the cases of violation of traffic rules; f) The value of €7.95 (seven euros ninety-five cents) per day, if the driver is under 25 years old;

g) The value of €9.23 (nine euros twenty-three cents) per day, for each additional driver, which must be duly identified in the Agreement;

h) The amounts indicated in the document of Supplements and Extras, when the Customer rents any additional equipment;

i) The additional value per kilometer (km), in the amount of €0.40 (forty cents), if a mileage limit is defined in the Special Terms and Conditions, applicable to the Smart +15 product;

j) The value of €125.00 (one hundred twenty-five euros) for one-way rentals;

k) Charges for processing the complaint and recovery of the vehicle, included in clause 4 "Vehicle Returns Conditions" of the General Conditions, in cases of delay and/or incident in the return of the vehicle.

m) The amount of €12.00 (twelve euros) for the breakage, damage, loss, deterioration, missing or non-return of the cover of the compulsory approved child restraint device.

6.2 In addition to the amounts listed above, Goldcar may also charge the Customer for services or costs arising from inadequate use of the vehicle during the rental period, in accordance with the procedure set out in clause 5.2, including:

a) Charge for 'special cleaning' for the costs incurred from an additional valeting service arising from the clearly inadequate state of the vehicle at the time of its return.

b) The expense incurred through the loss of a vehicle's documents or keys. c) Any tolls, fines, sanctions, and court and administrative costs caused by infringement of highway regulations, laws, rules and by-laws (including those envisaged in the Highway Code) incurred by the Customer during the rental period and that have been met by Goldcar.

d) Notwithstanding the foregoing, Goldcar reserves the right to charge the Customer for the administrative costs it incurred for processing and sending notice of the abovementioned sanctions to the competent authorities. The aforementioned

amounts shall be charged by Goldcar directly to the Customer using the same payment method used to hire the vehicle, upon conclusion of the procedure foreseen in paragraph 5.2. In all cases, Goldcar shall immediately report to the Customer the charge that was made and the reasons for it, giving the Customer all the information possible.

e) Expenses arising from the loss, deterioration or damage of the compulsory approved child restraint device (the device itself or its cover, and the loss, misplacement or non-return thereof), wheels, tires (including punctures and bursts), tools, windows, mirrors, accessories, interior of the vehicle, as well as problems resulting from an error in the type of fuel used to refuel the vehicle.

6.3 Payment Method:

The credit or debit card with which the reservation is made must be shown by the Customer when they pick up the vehicle. Two credit cards must be presented for the rental of premium vehicles in categories F6, G1, G3, G5, G6, H6, J1, J3, K3, T6, U3, U5 and Y3 00. The Customer must ensure that they have a sufficient balance in their bank account to cover the requested deposit, the specific amount of which is specified in the Special Terms and Conditions, and all additional expenses listed. The payment to rent the vehicle and any possible additional costs shall be made in Euros.

The payment of the rental and the provision of the deposit cannot be made with cash or by bank transfer.

6.4 Deposit: In addition to the rental price, the Customer must provide a deposit to Goldcar, and must present a credit or debit card in their name with sufficient funds to guarantee the deposit amount and any additional costs that may result from the rental. The amount of the deposit is specified in the Special Terms and Conditions, as well as in the confirmation email the Customer received after booking, if you booked the vehicle via remote means of communication (website, mobile application or telephone).

The purchase of additional protection for the vehicle, provided for in clause 8, may waive the need for a deposit.

The deposit will be released from the credit card or returned to the Customer's debit card after the vehicle has been returned and after Goldcar has proven that the vehicle is in good condition and that there are no other amounts to be charged. The deposit will be partially or totally retained in case of non-compliance with the Agreement, to cover the amounts attributable to the Customer, except in cases where the latter has purchased an optional protection whose conditions do not imply the provision of the deposit. Two credit cards must be presented for the rental of premium vehicles in categories F6, G1, G3, G5, G6, H6, J1, J3, K3, T6, U3, U5 and Y3 00.

7. VEHICLE RETURN SYSTEMS AND FUEL POLICY

The system employed for returning the rental vehicle is intended to regulate matters referring to the method of verification of the fuel upon return (check-in), the refueling service and the availability of the flexible return time service.

Without detriment to the linking of some policies to a specific rate, the following Vehicle Return Systems are available to the customer:

7.1 Fuel Vehicles

a) Classic Return System (SDC):

The Customer must return the vehicle to Goldcar with the same fuel level as it had when picked up. In case of non-compliance, Goldcar will charge the refueling fee and the missing fuel, in accordance with subparagraph a) of paragraph 1 of Clause 6. This system does not include the package of rapid customer support services provided in the foregoing system. It is also necessary to follow vehicle check-in procedures for verifying the fuel level. Similarly, the customer must pay a deposit equal to the value of a full tank, which will be refunded when the vehicle is returned once an inspection has been made to verify correct compliance with the conditions of this system. Should the Customer fail to return the car with a full tank, the cost of the amount of fuel needed by Goldcar to top up the tank will be deducted from the deposit, plus the value of €50.00 (fifty euros) for the vehicle refueling service. Where the deposit is less than the amount owed, the Customer agrees that the difference should be charged to their credit or debit card.

7.2 Electric Vehicles

Electric vehicles will be delivered with a minimum charge of 80%.

8. INSURANCE AND COVERAGES

8.1 Compulsory insurance

Rental rates include compulsory vehicle insurance, which only ensures the payment of compensation for bodily and material

damage caused to third parties and people transported.

The Customer is responsible for paying for damages to the vehicle and/or equipment or devices installed therein that are attributable to him, up to the limit of the deductible indicated in the Special Terms and Conditions, without prejudice to the Customer's full responsibility for damages caused by willful intent, negligence or that are not covered by the compulsory vehicle insurance.

The Agreement includes Damage Protection (Goldcar Basic Cover), which reduces the Customer's liability up to the limit of the deductible contained in the Special Terms and Conditions, for damage caused to the vehicle resulting from collision, theft, accidental fire and acts of vandalism.

8.2 Additional Protection

In order to reduce the deductible, the Customer may purchase the following additional protection services, valid during the period of the Agreement, which can be contracted at the time of picking up the vehicle or at the time of booking. Only the Customer and/or drivers authorized by Goldcar can benefit from these optional protections.

a) Relax Cover:

Optional service provided by Goldcar that eliminates the deductible for bodywork damage and reduces the guarantee deposit to €300.00 (three hundred euros).

This cover also includes basic roadside assistance.

Likewise, when subscribing to Relax cover, the costs associated with the vehicle's immobilization, in the event of an accident, will not be applied.

b) Super Relax Cover:

Optional service provided by Goldcar that completely eliminates the deductible and the need for a deposit. Therefore, the Customer will not have any amount retained on their bank card. The purchase of the Super Relax Cover does not eliminate the need to leave other deposits which may be mandatory according to the Particular Rental Conditions, the General Rental Conditions, and the Special Terms and Conditions, including the deposits regarding the Toll Service and fuel.

This cover also includes basic roadside assistance.

c) Mega Relax Cover:

Optional service provided by Goldcar that completely eliminates the deductible and the need for a deposit. Therefore, the Customer does not have any amount retained on their bank card. The purchase of the Mega Relax Cover does not eliminate the need to leave other deposits which may be mandatory according to the Particular Rental Conditions, the General Rental Conditions, and the Special Terms and Conditions, including the deposits regarding the Toll Service and fuel.

This cover also includes premium roadside assistance.

9. OBLIGATIONS OF GOLDCAR

Goldcar must:

- a) Inform the Customer in advance of the charging of the guarantee deposit for damage to the vehicle and proof of the same;
- b) Ensure the provision of a free assistance service to the Customer, available 24 hours a day, to report anomalous situations that occur during the execution of this Agreement;
- c) Ensure the provision of equivalent service or the availability of a superior vehicle in the event of unavailability of the previously contracted or reserved vehicle, or of breakdown, at no additional cost to the Customer

10. OBLIGATIONS OF THE CUSTOMER

The Customer must:

- a) Pay, as soon as requested by Goldcar, all amounts arising from the signing of this Agreement;
- b) Ensure that the vehicle is properly closed when not in use;
- c) Ensure that the vehicle is supplied with adequate fuel;
- d) Do not smoke inside the vehicle;

-
- e) Contact Goldcar in the event of a vehicle breakdown and obtain its prior agreement for repairs;
 - f) Reset all applications and multimedia features accessible in the vehicle, in accordance with clause 4.1.

The Customer undertakes not to use or allow the use of the vehicle:

- a) To transport passengers or goods in violation of the law;
- b) For sporting events or training, whether official or not;
- c) By any person under the influence of alcohol, drugs or any other substance that, directly or indirectly, reduces their perception and ability to react;
- d) By drivers not identified in the Special Terms and Conditions of this Agreement;
- e) Outside the national territory, without express authorization from Goldcar for this purpose;
- f) In any of the situations provided for in Clause 18.

11. ACCIDENTS AND CHANGES TO THE CONDITION OF THE VEHICLE

In the event of an accident or change to the condition of the vehicle, the Customer undertakes to adopt the following procedures:

- a) Inform Goldcar and request the presence of police authorities in any and all accidents, theft, robbery, fire, damage caused by animals or any other accidents, within a maximum period of 48 hours, except in duly justified cases of force majeure;
- b) Obtain the names and addresses of the people involved in the road accident and any witnesses, except in duly justified cases of force majeure;
- c) Do not abandon the vehicle without taking appropriate measures to protect and safeguard it, except in duly justified cases of force majeure;
- d) To send Goldcar a filled accident report form (Amicable Accident Report – DAAA), with the information he has regarding the occurrence, including the report elaborated by the police authorities, stating the number plate, the name and address of the third party, the circumstances of the collision, a sketch of the accident, the name of the third party's insurance company and, if possible, the number of the insurance policy. All documents must be signed by the drivers involved in the accident. If there is no accident report form, the parties must complete a Claims Report ('Relatório de Sinistro') that will be provided by Goldcar.

The protections described in Clause 8 do not take effect in the event of an accident due to:

- a) Excessive speed;
- b) Driving under the influence of alcohol or narcotic products;
- c) Improper use of the vehicle, particularly in places and for purposes other than those for which it was intended, such as driving on unpaved roads and paths, forestry paths, mountainous terrain and beaches;
- d) Use in sports events or training, whether official or not;
- e) Transport of goods above the limit set out in the technical specifications and/or in the Single Automobile Document.

Failure to comply with this clause or the items set out in the second paragraph of Clause 10 renders the Customer responsible for all expenses incurred in repairing the vehicle and compensation corresponding to the period of its immobilization.

12. MILEAGE LIMIT

In the Smart +15 product, the Customer may only travel 100 (one hundred) kilometers daily. If this limit is exceeded, a fee of €0.40 (forty cents) per additional kilometer will be due as listed in subparagraph i) of clause 27 and in the Special Terms and Conditions.

13. ONE-WAY RENTALS

Subject to the availability of Goldcar rental stations, the Customer can return the vehicle to a station other than the one from which it was picked up.

If this method of return is chosen when concluding the rental agreement, the corresponding amount will already be included

in the rental price, as specified in the Special Terms and Conditions.

If the Customer chooses, after the conclusion of the Agreement, to return the vehicle to a station other than the one where he picked it up, he must confirm the availability of the station directly with Goldcar prior to the return, and will be charged an additional fee at the time of return, as provided for in subparagraph j) of clause 27.

Returning the vehicle to a location other than that referred to in the Special Terms and Conditions, without confirmation from Goldcar in accordance with the previous paragraph, will result in a cumulative charge of the following amounts:

- a) rental amount corresponding to the days necessary to recover the vehicle and make it available to Goldcar, until it can be rented again;
- b) compensation for economic losses caused by the immobilization of the vehicle;
- c) the costs of travel, towing, repatriation, tolls and storage of the vehicle - when applicable -, to the place agreed in the Special Terms and Conditions for its return, as set out in Annex I.

Goldcar reserves the right to take the necessary legal action in any case of disappearance or non-return of the vehicle.

14. DEPOSIT

Except in the event of the Customer taking out optional additional cover, the Customer shall deposit a deposit at the time of delivery of the vehicle, the amount of which is defined in article 6 of the Special Rental Conditions and which shall represent a proportional part of the Excess that the Client shall pay for the rental.

In the event of an extension of the Contract, the initial amount of the security deposit shall be increased according to the number of additional days.

The security deposit blocked (credit card) or charged (debit card) shall be released or refunded to the Customer after the return of the vehicle, and once Goldcar has verified the good condition of the vehicle and the proper execution of the Contract. If the deposit is deposited with a credit card, the maximum blocking period is 30 working days from the start of the rental. In case of using a debit card, the maximum time for the return of the deposit is 15 days after the return of the vehicle.

The security deposit will be partially or totally retained in the event of breach of the Contract, until the penalties or amounts attributable to the Client are covered and the Customer may be charged up to the amount of the Excess indicated in the table in clause 6 of the Special Rental Conditions, unless the latter has contracted the optional complementary cover. If two credit cards are presented, the deposit amount will be split between them.

15. AUTHORIZED DRIVERS

Only the driver identified in the rental Agreement, or drivers duly authorized by Goldcar, may drive the vehicle.

For each additional driver of the vehicle, an additional amount must be paid, as described in subparagraph g) of clause 27 of the General Conditions and in the Special Terms and Conditions.

If the vehicle is driven by a driver not identified in the Agreement and duly authorized to do so by Goldcar, the Customer will be responsible for any damage caused to the vehicle by said driver.

16. AFTER HOURS RETURN

By agreement between Goldcar and the Customer, the vehicle may be returned outside the normal opening hours of the rental station.

If the Customer opts for this method of returning the vehicle, their responsibility for the vehicle (as well as any additional equipment contracted) remains until the station opens or until Goldcar inspects the vehicle, depending on the first moment in time to occur. Therefore, the Agreement will not automatically end when the keys are handed over and the vehicle is parked in the designated parking space, but only after the vehicle has been inspected by Goldcar.

If the Customer chooses this method of returning the vehicle, it is mandatory to:

- a) Leave any additional equipment in the trunk of the vehicle;
- b) Leave the vehicle parked safely in the location indicated by Goldcar, or, if this is not possible, in the location closest to the return station, so that it does not constitute a danger to others or impede traffic;
- c) Leave the vehicle key in Goldcar's mailboxes and inform us of the exact location of the vehicle.

Goldcar recommends that the Customer takes photographs of the vehicle to prove that it has been returned to the indicated location, before handing over the keys to the "Drop Box" key box (at stations where this service is available).

Once the inspection has been carried out and in the absence of damage, Goldcar will send the Vehicle Return Declaration to the Customer.

17. NON-AUTHORISED USE

Unauthorized use by the Customer will be considered a contractual breach, automatically terminating the Rental Agreement

unless otherwise stated by Goldcar. In this situation, the Customer must immediately return the vehicle to the location indicated, under penalty of it being removed, in accordance with the law, at his expense, and Goldcar shall be entitled to request compensation for damages and losses and to exercise the appropriate legal actions for the immediate recovery of the vehicle.

It is the customers' duty to use the vehicle with due diligence, in line with its characteristics, and to obey the current Highway Code and remaining legislation, avoiding any situation that might cause damage to the vehicle or to third parties.

Likewise, it is the Customer's duty not to allow anyone other than those authorised under this Agreement to drive the vehicle. The Customer is liable for any damage or loss to the vehicle or to third parties arising from a breach of such terms.

Failure to comply with the provisions of these sections will be construed as non-authorised use.

The Customer is fully liable for damage to the exterior and interior of the vehicle due to nonauthorised use and must pay any expenses incurred as a result of misuse.

Non-authorised use includes, but is not limited to, the following cases, given by way of example:

- a) Pushing or towing another vehicle.
- b) Driving in areas not suitable for automobile circulation or in which this is not authorised, such as beaches, racetracks, forestry roads, private roads, back roads, dirt roads, gravel roads or roads that are not suitable for automobile circulation.
- c) Driving on unpaved roads or very poorly paved roads that could cause damage to the underside of the vehicle.
- d) Driving the vehicle in restricted areas, such as airport roads and other roads for aeronautical and/or military use.
- e) Transport the vehicle on board of any type of boat, ship, train, lorry or aeroplane unless express written authorization has been given by Goldcar.
- f) Negligent behaviour regarding the information transmitted on the instrument panel or when the vehicle's indicators show an alert.
- g) Transport of goods or animals and substances that are hazardous, inflammable and/or poisonous for the vehicle and its occupants.
- h) The transport of individuals or goods for which the Customer receives a direct or indirect payment.
- i) Sublease, mortgage, pledge, sale or any type of guarantee, in relation to the vehicle as a whole or any of its components, keys, documents, tools, or any of its accessories.
- j) Using the vehicle for unlawful activities.
- k) Transporting a number of passengers and amount of luggage not authorised for the vehicle.
- l) Manipulation of the odometer. The Customer must report any malfunction of the odometer to Goldcar immediately.
- m) Transport of luggage or any other item on the vehicle's roof, even when an adequate luggage rack is used for the purpose.
- n) Dirtying the inside of the vehicle beyond what would be expected from reasonable and careful use.
- o) Driving the vehicle when tired, ill and under the influence of alcohol, medicine or drugs.
- p) Using the vehicle to give driving lessons under any circumstance and/or to teach special driving techniques.
- q) Driving against the traffic regulations.
- r) The vehicle is driven by a person who is not authorised to do so.
- s) Continue using the vehicle after the rental period has ended.

18. AGE AND DRIVING LICENCE

To conclude the Agreement, the Customer must be at least 21 years old, in which case the Customer must have held a driver's licence for at least one year, regardless of age. If the Customer is between 21 and 24 years old, an additional cost, based on the age of the driver, the vehicle category, the date of issue of the driving licence and the duration of the rental agreement, will be charged, as indicated during the booking process and in clause 3 of the Particular Rental Conditions.

19. JOINT LIABILITY

All authorised additional drivers are jointly liable for the Customer's obligations under this Agreement and the relevant laws that are applicable to same.

20. THEFT AND LOSS OF PERSONAL BELONGINGS

Goldcar is not to be held liable for items stolen, forgotten or lost inside the vehicle.

21. COMPULSORY APPROVED CHILD RESTRAINTS

Customers must notify Goldcar when children under three years old or older, but that are under 1.5 metres in height, will be riding in the vehicle, so Goldcar can provide an approved restraint, for the correspondent fee, for the weight and height of the person who will use it. The Customer is responsible for installing the restraint.
